2025-26 UPPER DECK EXTENDED SERIES

INTRODUCING THE DEBUT GAME JERSEY PROGRAM

The Debut Game Jersey card harkens back to the UD Game Jersey design that was influential across all sports in the 1990s. The card features a unique jersey pattern design with gold deco foil and a large 1.5" x 1" die-cut window. The player images are photo-matched to the player's debut game and provenance is integrated throughout the design including the player's debut date and the name of the opponent on the card front, along with authenticity copy on the card back that denotes that the jersey swatch is from the player's debut game, including when and where it was played!

The Debut Jersey Auto card will feature a debut game-used jersey swatch alongside a Player autograph and serial #'d to his jersey number.

The 1-of-1 Game Jersey Auto Black card features a dramatic black design color shift alongside a larger 2" x 1.25" die-cut window and a Player's autograph in Gold. The card will feature a swatch from the most authentic and unique tag on the player's debut jersey. This may include a provenance tag issued by the team or a third-party authenticator or a personalized inscription from the team's equipment manager on the tag or fight strap. These are truly remarkable cards.
